

D200 30°

Standard wheelchair with reclining backrest

D200 30° is a lightweight aluminum wheelchair with a 30° reclining backrest (adjustable without tools). A standard manual wheelchair perfect for a rental parc or personal use. D200 30° is a fully adaptable chair to suit any user or changes that are needed.

VERMEIREN
we care for you

Products designed to suit you

Our basic principle is: the wheelchair must be adapted to you, not the other way around. That is why our wheelchairs are evolutive and an answer to your specific needs.

All types of wheelchairs can be adapted, have numerous options and can be fully personalized so that there is a wheelchair for every person. This is the result of our continuous research and experience since 1957.

Rear wheels with quick-release system

Removable swing-away leg rests (in and outwards)

Height adjustable (3 different heights)

Armrests adjustable in height and depth to suit specific needs
